**(DW) Hiring DPW Staff Member**

4 applications received. The committee interviewed all, Steve Nappi recused himself from one do to conflict of interest.

The Committee recommends William Dahle since he has several qualifications and a solid background that may be beneficial to the Borough. Past experience with Lupardi's Nursery and Payton Elevator has provide some welding and machinery experience..

Candidate seems to be confident and willing to learn. His father is the DPW Superintendent in Closter, making him familiar with the government process.

Mr. Dahl is currently studying for his CDL and will need road experience but is currently having to follow the guidelines of the State of New Jersey regarding getting his testing and experience completed.

PAH inquired if the CDL is an issue. DW noted that as per Steve Nappi it would not be, and on the overall he felt that Mr. Dahle is a good fit for the DPW. He requests starting date as soon as possible.

Mr. Dahle would be paid at entry level as per the Collective bargaining Agreement and the Salary Ordinance for 2020.

Resolution for hiring was made but will be held to be official until the commencement date of employment is provided by the applicant.
